# BIOGRAPHY

MC Shep hails from Atlanta, GA. When he isn't producing other artists, he's in the music lab creating unique arrangements that will be released at future dates. As a music major and seasoned musician, he welcomes the challenge of the constantly changing music scene. MC Shep's style in composition is versatile enough to make you dance, have a good time and forget about the pressures of life. His latest release - Still Crushin' (featuring Lynnette) is going for adds worldwide.

New R&B dance song release! "Still Crushin' (featuring Lynnette)" by MC Shep is going for national adds. Numbers are climbing rapidly on all platforms including Spotify and Youtube. Add this radio version single to your rotation. The song contains no explicit lyrics. (Family friendly)

The song is attached and can also be found here:
